

**As you prepare for the New Testament survey final, here are some topics to consider and some questions to which it would benefit you to have answers.**

- Suffering. What are the sufferings of Christ? Why do Christians suffer?
- What happens to Christians after death and how they should feel about judgment
- The metanarrative and context
- Apologetics and the correction of heresy. How did the epistle writers do it? How should we do it?
- Why are we taking this class?
- The situation and concerns of the early church VS the modern church
- How are we to live our lives in the space between Acts and Revelation?
