6) This final glorification is something we're meant to _____

DISCUSSION QUESTION #4

Based on our understanding of glorification, what should we expect of our current bodies? Are they mortal or immortal? Are they subject to aging? Sickness? Death? Does this mean that we have to put up with being sick? Does this mean that we “die when we die” and have no control over any of that? Looking at the acts of Jesus after His resurrection, what are some other things we might expect from our glorified bodies?
