

In Him Week3 Discussion Questions

Note: Catching up on class? These are meant to be answered BEFORE listening to week 3 of class, to help get the thought processes flowing.

1. What are some of the major ways that The Church is supposed to be different from The World? Do you think The Church is as different from The World as it's supposed to be? Why is that? If you think The Church is supposed to be more separated from The World, how do you think we can accomplish that?
2. Let's talk a little about being children of God. There is an epidemic of "fatherlessness" plaguing the world and it goes back generations. Do you think this is intentional on the part of the enemy? Why or why not? Do you think this affects the way we relate to God? If so, how?
3. "Everything happens for a reason." We've all heard this. Do you agree or disagree? What about "we are all here for a reason"? Do you think that's true? Do you think God gave you ALL of the gifts, skills, and abilities that you have? Why or why not? If He did, do you think they all fit into what He has planned for you?
4. What do you think are some practical ways "the old man" still affects many Christians based on the trends of our society and the leanings of our culture? How do we, as Christians, address this firmly while still being sympathetic to the battles of our brothers and sisters?
5. Let's do some more comparing of kingdoms VS republics. Let's think about The President (the office, not the person). How are they chosen? What are their duties and responsibilities? How do we generally regard/think about them? (favorably? With respect? With a roll of the eyes? etc.) How are kings chosen? What are their duties and responsibilities? How are they regarded? How long does a president serve? What about a king?

Studying with us remotely? Great! If you can, reach out to Pastor Deborah or Pastor Jordan to join in the discussion live! If you can't do that, be sure to type up your answers for these questions and email your responses to academic.assistant@harvesteugene.org.

In Him
